First Impressions Are Everything!

Both on the web and off you only have one chance to make a favorable first impression.

Get your company noticed with full-color, pdf sales sheets created by Directory One to help promote your products and services - both online and off.

PDF Sales Sheets

A pdf sales sheet is a concise, one-page document that lists and explains your products or services and includes both benefits and features. By making your pdf sales sheets available to be printed directly from your website, your prospects and sales force will have all the information they need right at their fingertips. Pdf Sales Sheets are ideal for sales kit inserts, bid proposals, trade show handouts, point-of-sale, and even brochures or flyers.

Small Investment – Large Impact

By distributing four-color sell sheets you'll be able to introduce your business not only to prospects but even potential partners.

Pricing

Typesetting, image editing and document layout are included in the base prices as long as the text, logos and photos are customer provided electronically. Additional charges for stock photography may apply.
